

LICENSING EXECUTIVES SOCIETY
BRITAIN AND IRELAND

Who should attend?

The course is aimed at anyone from beginner's level to those with up to two years' experience in licensing. It is a valuable introduction to this field whether you have a legal, academic, financial or other business background.

You should aim to attend all three days of the course in view of the interaction between the topics covered. However, exemption from the first day may be possible for those who can satisfy the organisers of equivalent knowledge or experience. Please contact Chris Bartlett, cdb@talk21.com, for further information regarding exemption.
